

The conference will be held on the **ClickMeeting** platform (<https://clickmeeting.com/>).

The preferred and safe format of the presentation is PDF, but it is also possible to prepare it in the PowerPoint format (preferably without sound and movie). Presenters can use screen sharing and whiteboard.

Presentations in PDF format must be sent by 20 November to bok@ppnt.poznan.pl. The file should be saved as **Name_Surname.PDF**

The expected **speaking time is 13 minutes**.

We will follow up with more technical details and online tutorials introducing you to the <https://clickmeeting.com/> system that we will be using for the conference. For your convenience, we provide links to that you may find useful in familiarizing yourself with:

You will need between 5 and 15 minutes and can show up at any time that suits you.

We strongly recommend this training for authors wishing to present with screen sharing.

Links with access to conference rooms will be delivered in **a separate emails on 17 November**.

See you there!
